PROFESSIONAL EXPERIENCE

Online gaming, framework and application developer

03/2022 - 05/2025

GST Gaming · Alessandria, Italy

- Engineered a modular and productivity-booster framework for gaming applications (online slots) in JavaScript on Phaser3.
- Applied solid OOP design principles to optimize time-to-market, and improve game performances.
- Designed an unique rule-based responsive layout system, to give games the ability to automatically adapt on all screen resolutions.
- Developed eight games utilising the established framework.
- Provided support for game server development, including distributed server architecture based on microservices.

Backend developer

02/2022 - 02/2022

Prassel · Roma, Italy

- Maintained backend systems for ViMS video surveillance software using Python, Django, and Twisted.
- Helped team to improve software compatibility on some IP Camera protocols.
- Done remote in-field technical assistance on some installations in Egypt.

Online gaming, framework and application developer

10/2020 - 01/2022

Tuko / Intermedia2000 · Battipaglia, Italy

- Improved six gaming applications in JavaScript on a proprietary framework based on Phaser CE.
- Initiated the development of a new proprietary productivity-booster framework based on Phaser3.

Senior full-stack developer

06/2020 - 09/2020

Armonia / NinjaCampus · Salerno, Italy

- Worked as a full-stack software developer on web applications and REST APIs in JavaScript, TypeScript on Node.js, Express and Nest.js, as well as in PHP Laravel.
- Helped team to complete some projects on frontend side utilizing HTML5, CSS3, jQuery, Vue.js, and React Hooks.

Senior embedded systems and firmware developer

10/2018 - 05/2020

Takius · Baiano, Italy

- Developed firmware for many microcontroller-based systems on Atmel, Microchip, STM32, Espressif architectures.
- Built a reusable application framework for embedded GNU/Linux systems tailored for industrial applications, based on Python (Flask), MQTT, Angular.js and Vue.js.

NOTE: this is a condensed version. Details on previous work experiences on personal resume page: ultimoistante.github.io/personal-resume/
